# Feering Newsletter

## Inspire, Explore, Achieve

**Friday 5th June 2026**

Dear Parents

This is our Take One Picture edition of our Newsletter; we have had an amazing time creating over the fortnight leading up to our exhibition. The classes have all responded in different ways to the painting stimulus and focused on various observed aspects of the image. I want to take this opportunity to thank staff for all their efforts in making this happen. They have all worked so hard to give the children a wonderful experience and to be able to share it with our whole community.

Visitors have left some lovely comments with us in our Visitors' Book and we are proud to share a few of these with you here.

** Incredible artwork! The children have all worked very hard and should be proud of their work. Well done!*

** Lovely to see all the children's work. They were very excited to show us.*

** Great to see the variation of styles. Enjoyed all the props!*

We have attached our Take One Picture brochure with details of the work undertaken by each class in the school; this was produced by the children with their own artwork and written work.

In addition to the wonderful opportunity to immerse themselves in all thing's arts based, the children have found out something of the life and times of the artist.

The children also, a class at a time, came for a still life drawing session where they could lay or sit to draw in their sketchbooks; all picking an aspect to focus on that interested them. This was not only a great opportunity to cover the drawing and sketching elements of the curriculum, but we also talked about drawing being a peaceful past time - this fitted beautifully with our collective worship theme this week.

Just in case you could not join us for the event, we have chosen some photographs of the exhibition to share with you at the end of this newsletter.

## Learning Support Assistant Vacancy

We currently have a vacancy for a Fixed Term Learning Support Assistant. The post is for 27.08 hours a week, Monday-Friday, fixed term until 17/07/26 (with a view to this possibly being extended).

For further details, or to apply, please visit:

https://www.essexschoolsjobs.co.uk/Vacancies/Details.aspx?VacancyId=119844

## Office Hours

Our manned office hours are 8.30am – 3.30pm, if you wish to report an absence you can leave a message before this time in the morning. Administrative staff record absences and teachers can access this information via their registers. Therefore, can we ask that dojo is not used to record absence as this is not reliable in the school day when teachers focus on teaching and may miss messages.

## Marathon Thanks!

Well-done to all those children who threw themselves into their marathon! What an incredible effort from everyone!

Thank you to everyone within the community who supported the children in their endeavours at our marathon event; we are sending a polite final reminder for any sponsor monies to be paid in, in order that we can share the final figure raised with our community.

## Volunteer Week

This week has been National Volunteer Week and we wanted to take advantage of this and ask if anyone would like to donate some time or skills to the school, either by becoming a reading volunteer, or helping with a talent or skill that would be of benefit, please do get in touch with the school office and we will match you up with the right member of the team.

## Collective Worship Theme

This week we have been exploring Peace as a theme. The Collective Worship Committee will be continuing with this theme next week when they take over the reins. We have linked Peace to Spirituality for worship and the importance of inner peace. We are looking forward to them training some little techniques for regulation and slowing our busy brains.

This week we have explored the Aesop's Fable – 'The Town Mouse' and 'The Country Mouse'. The fable explores the benefits of a simple and peaceful life over a more risky existence. In addition we used a 'No Outsiders' resource to explore the importance of Peace Makers.
